

Dear Authors in Astrodynamics Symposium

Manuscript Submission Guideline

Thank you for your valuable lecture in the symposium.

The following information is the instructions for post-conference manuscript submission.

MANUSCRIPT SUBMISSION

Please log in to the symposium system (www.qs-conductor.com/JAXA_CIS/login.aspx), agree to the repository (check the box), and upload your manuscript. If you have problem using the symposium system, contact

astro_secretary@jaxa.jp

(Mika Kinoshita, workshop secretary)

The deadline for the submission is indicated in the workshop webpage.

MANUSCRIPT STYLE

Manuscripts should be submitted in one of the following formats.

- a) Paper format (same as until the 31st symposium)
- b) Presentation slides (You can delete pages if necessary)

Manuscripts should be in PDF format and the file name should be "your program number_title_your name".

NOTICE FOR AUTHORS (for paper format)

- 1) The first page should contain title, followed by abstract, body text.
- 2) Reference paper list is one of the most important parts of this manuscript. Please add enough references.
- 3) Use 10-12 font size. Any font type is permitted. Double-width linefeed is permitted if your manuscript is inside the page limitation. If you go over 6 pages, please use 10-point font size and single-width linefeed.
- 4) Use single column or double column (AIAA).

Consent and precautions for depositing your article in the JAXA Repository

CONSENT

The following agreement is required to publish your article:

- All authors agreed that JAXA will digitize the data submitted for proceedings of the symposium, store them in the JAXA Repository, and make them publicly available on the Internet.
- You authorize JAXA to exercise the right of reproduction and public transmission rights necessary for publication on the Internet.
- No transfer of copyright by this agreement will occur.
- If you wish to make your manuscript open to public, please submit it in the symposium system. Please also make sure that the manuscript is approved by all co-authors.
- Even if you do not agree with the publication, bibliographic information such as the title, author(s), and affiliation(s) will be registered in the JAXA Repository.

NOTES

- The manuscript file must be submitted in a PDF format. If files in non-PDF format are submitted, we will convert them into PDFs and release them. PDFs may contain personal information in fields such as title and author. Please make sure before submission that unnecessary information is removed. Based on the guideline, we will set up security on the PDFs at the time of registration in the JAXA Repository.

- Publication of manuscripts on the Internet may restrict submission to academic journals. Please decide by yourself whether to release your manuscript.
- If the submitted data is different from information listed in the workshop program, the submitted data is registered in the repository.
- Please provide the authors' full name and do not use abbreviations of affiliations.
